GOLF COURSE SUPERINTENDENT PROFILE: PLAYA GRANDE RIO SAN JUAN, DOMINICAN REPUBLIC

GOLF COURSE SUPERINTENDENT AT PLAYA GRANDE

Playa Grande is looking for a Golf Course Superintendent with strong leadership skills and passion for the game of golf and providing excellent golfing conditions on a daily basis.

PLAYA GRANDE

Playa Grande is the latest addition to the Discovery Land portfolio of world class facilities. With its world-class Robert Trent Jones, Sr. golf course, stunning beaches, verdant mountains, dramatic cliffs and natural preserve, Discovery Land's Playa Grande offers residents and guests everything in one perfect location. Created upon the unique topography and spectacular beauty of the site, every component of Playa Grande has been thoughtfully considered, from low-density development and ecological conservation to the allocation of large spaces for communal use.

The first phase of Playa Grande that has been developed is the Amanera Golf Resort which includes: the existing legendary Robert Trent Jones Sr. golf course with 10 dramatic ocean side holes, that has been recently renovated by his son Rees Jones, and the 36-suite Amanera Resort together with a beach club, a golf clubhouse, spa and fitness facilities, and a limited number of golf, beach and cliff-side Aman villas for sale, all with spectacular ocean views. Playa Grande is committed to maintaining the natural beauty of its land while providing the highest standards of design, service, and privacy in a one-of-a-kind private residential resort community.

PLAYA GRANDE BY THE NUMBERS

- Golf course was renovated in 2014
- Greens rebuilt to USGA recommendations and grassed with TifEagle
- Fairways and Roughs grassed with 419
- Bunkers lined with Sandtrapper II
- New RainBird Irrigation System
- New maintenance facility

- Abundant high quality water

Playa Grande Website: www.playagrande.com

DISCOVERY LAND COMPANY

Discovery Land Company is a privately-held, full service real estate development company based in Scottsdale, Arizona, specializing in luxury residential private club communities and resorts in the U.S. Mexico and The Bahamas. Discovery's projects are all distinct from one another with their own themes and architectural styles inspired by the natural environment and traditions of the project's locale. The private clubs have world-class resort amenities, extremely high levels of service, and club programs that work in sync to create an appealing lifestyle and a culture that is focused on family. The Company was founded in 1994 by Michael S. Meldman and has grown to be the unrivaled, premier player in the high-end resort residential niche.

JOB DESCRIPTION

The Golf Course Superintendent (GCS) reports directly to the General Manager at Playa Grande. The GCS is expected to provide quality leadership and will lead and manage his/her department to ensure superb golfing conditions: firm, fast, and green. The GCS is responsible for all day-to-day operations of Playa Grande.

Continuing education and staying at the forefront of research and technology are necessary for success. In addition, the GCS will provide innovative and relevant leadership and in perpetuating and fostering an educational culture of developing and producing future turf professionals. The GCS must have a natural style of "sincere engagement" with guests and staff along with a love of the game of golf and a relentless attention to detail.

AREAS OF FOCUS

- Provide excellent golfing conditions: Firm, Fast, and Green
- Develop standard operating and course conditioning procedures
- Team hiring, training, and evaluations
- Act as mentor and leader to staff

CANDIDATE QUALIFICATIONS

The ideal candidate will be a bilingual (English/Spanish) Superintendent with a minimum of five years' experience at a top tier golf club or resort.

- Proven experience providing exceptional golfing conditions on a daily basis
- Experience providing smooth, fast greens
- Successful experience with warm season grasses
- Proactive, high energy leader and team builder
- Strong observational skills
- Strong budget management and forecasting skills
- Proven planning skills
- Demonstrated experience developing future turf professionals
- Excellent communication skills with both guests and team members
- Spanish language skills are a plus
- Highly organized and detail oriented
- Creative and stays current with advances in turf technology, irrigation management, and equipment
- Concise and direct
- Consistent career track record
- Passion for the job
- High Golf IQ

EDUCATIONAL AND CERTIFICATION QUALIFICATIONS

A degree in turf management or related field of study is required. Certification is preferred.

SALARY & BENEFITS

Salary is open and commensurate with qualifications and experience. The club, along with the typical GCSAA benefits, offers an excellent bonus and benefit package.

Abilene Country Club

Club Course

Abilene, Texas

Golf Course Superintendent

Golf Course Superintendent – Club Course at Abilene Country Club

Abilene Country Club is looking for a Golf Course Superintendent that has successfully managed Bentgrass greens and has experience in renovation, construction and common area maintenance. The current Head Golf Course Superintendent will be leaving in Late February after 25 successful years with Abilene Country Club to open his own

business in the Abilene area. The Superintendent will be a strong, energetic, detail oriented team leader with a passion for the game of golf, a member-centric focus and the demonstrated ability to deliver an exceptional playing surface.

Established in 1921, Abilene Country Club is a member owned club, and has warmly welcomed families for nine plus generations. Membership in the club affords each member use of the Abilene Country Club's Fairway and Country Club facilities, featuring two distinctly different 18 hole championship golf courses. With a membership of 1400 + families. Abilene Country Club is dramatic evidence of the commitment to create in Abilene an exclusive distinguished private country club that rivals any in West Texas. The Par 70 "Club" Course is designed on 165 acres of rolling hills and lush surroundings. The finished product of both the Fairway and Club Course reflects the scenic country that surrounds Abilene. The Club Course was originally designed by Jon Bredemus in 1921 with course design and updates by George Williams in 1992.

Abilene Country Club website: www.abilenecountryclub.com

Club Course at Abilene Country Club by the numbers:

- 22,000 rounds player annually
- \$750,000 operating budget
- Greens – 2.5 acSR1020 Bentgrass constructed in 1993
- Tees, Fairway and Roughs – 419 Tifway and Tifsport Bermudagrass
- Cart rounds 15,000
- Average age of members – 55
- Average member handicap – Men's 12, Women's 20
- Irrigation - Control System: Lynx-Osmac, Pump Station: Flowtronics VFD
- Sprinklers - Toro hyd VIH
- Equipment: Primarily Toro and John Deere, owned by club, capital replacement

Position Summary

The Golf Course Superintendent reports directly to the General Manager/COO and liaises with the Greens Chair. The Golf Course Superintendent will lead and manage his/her department to ensure superb golfing conditions and a well-maintained golf course and common areas around all facility buildings. She/he is responsible for all day-to-day operations of the club's golf course and grounds.

The Golf Course Superintendent is expected to lead the golf course maintenance team as well as providing information, recommendations, and leadership to the Greens Committee to provide consistent championship conditions. Well-articulated and candid discourse is expected and required with the General Manager / COO, Head Golf Professional, and Greens Chair / Committee.

The Golf Course Superintendent is expected to routinely walk the course ensure the course is in top playing condition always. Leads an atmosphere that is committed to excellence, process driven, quality and safety oriented. The Golf Course Superintendent will have a natural affable style of sincere engagement and visibility with members and staff, along with a love of the game of golf and superior course conditioning and relentless attention to detail.

Candidate Qualifications

The ideal candidate will be a Superintendent or an Assistant Superintendent with a minimum of five years' experience at a golf course known for quality, consistent, and championship conditioning.

- Have advanced knowledge of agronomy and turf grass management practices
- A sound understanding of providing consistent ideal playing conditions
- Successful experience with effluent water, and or poor water quality
- A creative turf manager with strong agronomic skills-stays current with advances in turf technology, and equipment
- A working knowledge of golf course construction principles, practices and methods

- Must be knowledgeable regarding the operation and maintenance of golf course maintenance equipment, and irrigation systems
- Experience providing fast, smooth, and firm greens on a daily basis
- Proactive, high energy leader, committed to excellence
- Strong relationship builder with a history of excellent relations with their General Manager / COO, Head Golf Professional and Greens Chairman
- Confident, take charge leader, both with team and committee, a great mentor
- Strong budget management and forecasting (zero based) skills
- Excellent communication skills with both club and team members, natural leader
- Strong observational skills and detail oriented
- Highly organized
- Understanding of all pest control techniques including Poa annua prevention
- Experience in tree maintenance, and plantings
- Must also keep current regarding federal, state and local laws and regulations affecting the management of golf course operations
- Strong business sense and ability to manage a budget

Initial areas of focus:

- Assess environmental/growing conditions of each green
- Examine soil tests and nutritional inputs to all areas
- Evaluate turf and soil conditions along with current maintenance practices and develop long-term recommendations to improve the golf course experience
- Get familiar with all grounds.
- Develop team training and evaluation systems
- Develop standard operating and course conditioning procedures

Primary Duties

- Maintains all grounds and course maintenance equipment per the club's turf management program.
- Schedules, trains, supervises and evaluates all personnel assigned to department.
- Maintains accurate work records for all personnel in the department. Works closely with ACC Human Resource Manager for personnel issues.
- Supervises all planting, fertilizing, care and removal of turf, plants, shrubs, trees and other facilities on the golf course.
- Maintains course in top playing course condition always.
- Inspects course regularly to evaluate and recommend improvements.
- Oversees all construction, maintenance and renovations on the golf course.
- Oversees repairs of broken water lines or valves and may perform necessary repairs in an emergency.
- Records all maintenance on course, maintains a preventative maintenance schedule.
- Supervises golf course equipment repair, ensures that proper recording keeping of parts, repairs is maintained.
- Prepares annual operating and capital budget for department; takes corrective action as necessary to help assure that budget goals are met.
- Prepares "rolling 5 – year" capital plan for equipment.
- Prepares and updates grounds process and procedure manual.
- Selects and prepares proper fertilizers and nutrients programs for all flora and fauna.
- Develops and maintains drainage, irrigation and watering systems.
- Implements and enforces comprehensive safety program for employees, members, and guests on course in compliance with local, state and federal laws; implements and manages the club's hazard communication (HAZCOM) program.

- Ensures that chemicals, petroleum and other controlled products are used, stored and disposed of in accordance with local, state and federal regulations; maintains required records and strives to minimize the use of chemicals and petroleum products.
- Communicates as necessary with Head Golf Professional to discuss conditions of facilities, maintenance plans, scheduled events and the number of rounds played, including coordinating the aerification dates.
- Liases with the Greens Chair / Greens Committee.
- Establishes short- and long-range plans for the golf course.
- Collaborates on long range planning of golf course for the “good of the game” with the General Manager / COO, Greens Chair / Greens Committee and makes appropriate recommendations to keep the golfing conditions of golf course as good as they can be.
- Attends staff and management meetings.
- Writes a monthly newsletter article for the Club newsletter, communicates with membership for all necessary course updates, current and future maintenance activities.
- Conducts daily facility security checks ensuring accurate inventory of equipment and keys.
- Plans professional development and training activities for subordinates including safety training for equipment use and proper handling of fertilizers, herbicides, and all other chemicals used on course; assures that MSDSs are available in convenient location.
- Makes recommendations for capital improvement and purchases.
- Supervises road and roadside maintenance within the club’s grounds.
- Ensures proper landscaping for property outside of golf course including the clubhouse and surrounding areas.
- Coordinates applicable work with outside contractors. Maintains a professional relationship with club vendors.
- Determines when course should be closed due to weather conditions that may damage the course if play continues, and conveys that message to the General Manager / COO, and Head Golf Professional.
- Maintains an open dialogue and communication with the General Manager / COO, Head Golf Professional and Greens Chair, providing necessary information, and recommendations.
- Conducts other appropriate tasks assigned by the General Manager / COO.

Education and / or Experience

- Bachelor’s degree in Turf Management, Agronomy, Plant Science.
- An Associate’s degree from an intensive two-year turf grass management program.
- Additional training in mechanics, landscape design, surveying and ecology.
- Previous work as an assistant with an experienced / reputable Golf Course Superintendent will be considered in lieu of formal education.

Licenses and Certifications

- Certified Golf Course Superintendent (CGCS) or currently working towards the designation.
- Texas Department of Agriculture (TDA) Pesticide Applicators License
- Valid Texas driver’s license.

Salary and Benefits

Salary is open and commensurate with qualifications and experience. Benefits include major medical, life insurance, club match 401-K, vacation, duty meals, dues for Golf Course Superintendent Association local and national

Interested and qualified candidates:

Abilene Country Club is seeking to hire two Golf Course Superintendents, one for the Club Course at Abilene Country Club and one for the Fairway Course at Abilene Country Club. Qualified candidates will be considered for each position, please review both postings. Candidates / inquiries will be treated with strict confidence.

Please send letter of introduction, resume, and salary history to Jim Repeta, CCM, CCE

jim.repeta@abilenecountryclub.com.

KOPPLIN KUEBLER & WALLACE

THE MOST TRUSTED NAME IN EXECUTIVE SEARCH AND CONSULTING

GOLF COURSE SUPERINTENDENT: COUNTRY CLUB OF BUFFALO Williamsville, NY

GOLF COURSE SUPERINTENDENT AT COUNTRY CLUB OF BUFFALO

The Country Club of Buffalo is looking for a Golf Course Superintendent (GCS) that is successfully managing cool season grasses with experience on classic golf courses. The Superintendent will be a strong, energetic, detail oriented team leader with a passion for the game of golf and a strong believer and proponent of FIRM, FAST, and GREEN golfing conditions.

COUNTRY CLUB OF BUFFALO

The Country Club of Buffalo has been an important part of the history of Buffalo, and its members have provided civic and business leadership throughout the community. The present location of the Country Club of Buffalo is actually its third. The Club was incorporated on February 11, 1889, and its first clubhouse, designed by E. B. Green, was opened in August of that year. Three of the founders of the Country Club were among the founders of the Buffalo Polo Club in 1878. Polo continued to be played on the Club grounds until 1935.

In 1894, Club members placed an empty tomato can in the ground, and thus was born the first golf hole in Western New York. The Club moved from its city location at Elmwood and Nottingham in 1899 to make way for the lavish Pan American Exposition. During this time, the clubhouse became the Women's Building and the center for all women's activities. The Club acquired land on the city line at Main and Bailey in 1900 and had the new course ready for play in 1902, with a new clubhouse designed by George Cary. During 1910 and 1911, Walter J. Travis revamped the course in anticipation of attracting a major tournament, which turned out to be the 1912 U.S. Open.

Acquisition of property in Williamsville began in 1922, and the Donald Ross designed course opened in 1926. The clubhouse, designed by Duane Lyman, opened in 1927. The United States Women's Amateur Championship was played on the new course in 1931, and the Curtis Cup was contested in 1950, with the American women defeating the British. The Carling Cup Matches between pro-amateur teams from the U.S. and Canada were held in 1960, and in 1962, the National Junior Girls Championship was played at the Country Club of Buffalo. A comprehensive restoration of the golf course was developed and implemented by Jim Nagle of Forse Design in 2013. While the major phases of the Master Restoration plan have been completed, additional phases remain to be done. The Master Restoration plan is reviewed annually and the Club is committed to completing projects as budget allows.

COUNTRY CLUB OF BUFFALO BY THE NUMBERS

- 16,000 rounds of golf
- 11,250 cart rounds
- \$ 1.25 M operating budget
- Pushup greens
- Bentgrass tees, greens and fairways
- Average Handicap: Men-14.1 Women-29.7
- Average age of Members: 59

Country Club of Buffalo Website: www.ccofbuffalo.org

JOB DESCRIPTION

At the Country Club of Buffalo, the Golf Course Superintendent (GCS) reports directly to the General Manager and liaises with the Grounds Chairman. The GCS will lead and manage his/her department to ensure superb golfing conditions: firm, fast, and green. He/She is responsible for all day-to-day operations of the club's golf course and grounds. The GCS will be tasked and responsible for projects approved under the Master Restoration Plan to the extent that such projects can be completed in-house. In the winter season the CGS and Grounds department oversee and operate the weekly Sport Shooting program, which includes trap, skeet, five-stand and Brushwalk shooting ranges.

The GCS is expected to lead the golf course maintenance team as well as providing information, recommendations, and leadership to the Grounds Committee to provide consistent championship conditions. Well-articulated and candid discourse is expected and required with the General Manager, Head Golf Professional, and Grounds Committee.

The GCS is expected to routinely play the course to determine the actual playing conditions of the course, and to ensure that it is consistently in peak and top-flight condition. Continuing education and staying at the forefront of research and technology are necessary for success. In addition, the GCS will provide creative leadership and foster a culture of continuing education and development of future turf professionals. The GCS must have a natural style of "sincere engagement" with members and staff along with a love of the game of golf and superior conditioning and a relentless attention to detail.

INITIAL AREAS OF FOCUS

- Assess environmental/growing conditions of each green
- Review preparation for Winter damage concerns on greens
- Examine soil tests and nutritional inputs to all areas
- Evaluate turf and soil conditions along with current maintenance practices and develop long-term recommendations to improve the golf course experience
- Create a Turfgrass Management intern program
- Develop team training and evaluation systems
- Develop standard operating and course conditioning procedures

CANDIDATE QUALIFICATIONS

The ideal candidate will be a Superintendent or an Assistant Superintendent with a minimum of five years' experience at a golf course known for consistent, championship conditioning.

- Subscribes to traditional maintenance practices (e.g. firm and fast, minimal watering)
- Player/student of the game with sound understanding of providing consistent ideal playing conditions
- High Golf IQ is essential
- Successful experience with pushup greens
- Experience providing fast, smooth, and firm greens on a daily basis
- Proactive, high energy leader
- Strong relationship builder with a history of excellent relations with their Green/Grounds Chairman, Golf Professional, and General Manager
- Confident, take charge leader, both with team and committee
- Strong budget management and forecasting (zero based) skills
- Excellent communication skills with both club and team members
- Strong observational skills and detail oriented
- Highly organized
- A creative turf manager with strong agronomic skills-stays current with advances in turf technology, irrigation management, and equipment
- Understanding of all pest control techniques including Poa annua management
- Experience in tree maintenance, plantings and shade mitigation
- Concise and direct
- Strong business sense and ability to manage a budget
- Passion for the job and historic golf course architecture

EDUCATIONAL AND CERTIFICATION QUALIFICATIONS

A degree in turf management or related field of study is required. Certification is preferred.

SALARY & BENEFITS

Salary is open and commensurate with qualifications and experience. The club, along with the typical GCSAA benefits, offers an excellent bonus and benefit package.

White Wing Golf Club Sun City Texas – Assistant Golf Course Superintendent

Description:

Sun City Texas is an active adult community located in Georgetown, Texas. The community offers extensive amenities to its 13,000+ residents including three golf courses, two fitness centers, five pools, tennis, nature trails, bocce and much more! In addition to amenities offered by the Community Association, residents can choose from more than 50 clubs and interest groups such as; hunting and fishing, photography, woodworking and gardening. We are currently seeking a full-time Assistant Superintendent at White Wing Golf Club.

Sun City Texas is comprised of three 18-hole Championship golf courses. The White Wing golf course consists of TifEagle greens with 419 fairways, roughs and tees. The position is responsible for the operation of the golf course maintenance personnel for that golf course and requires assisting the Superintendent. Responsibilities include but are not limited to: establishing, organizing and directing of all turfgrass / plant maintenance programs, personnel management, budget / forecasting, financial management, member relations, pesticide

management and compliance of any regulatory issues. Position works closely with other Department Heads to ensure smooth operation in achieving the Community Association's objectives.

Sun City Texas Community Association (SCTXCA) offers a complete benefit package for full time employees including: medical, dental, vision, short term disability, tuition reimbursement, company paid life insurance and long term disability, EAP and a 401k plan. SCTXCA is an equal opportunity employer.

Requirements: 2 – 4 year degree in agronomy or related field, previous experience within the industry is a plus.

Location: The Battleground Golf Course
1600 Georgia Ave.
Deer Park, TX 77536
Desired Start Date: On or before December 15, 2016
Deadline For Resumes: December 1, 2017
Send Resumes To: Mike Shoelen
General Manager
mshoelen@battlegroundgolfcourse.com
*no phone calls please

Facility Description:

The Battleground at Deer Park located 20 minutes East of Houston is an 18-hole public golf course complete with 3-Hole practice loop course and a lighted driving range. Golfers enjoy the rolling fairways, manicured greens and strategically-placed water hazards on almost every hole. The Battleground GC is owned by the City of Deer Park and has been a popular golf course for gulf coast and Houston players for 20 years.

Position Summary:

Oversee all activities related to the ongoing maintenance of the golf course, grounds and equipment. The Superintendent will lead the staff recruiting, hiring and training effort in the maintenance department. The position requires frequent interaction with the City of Deer Park staff. The Superintendent will work under the direction of the General Manager.

Major Duties:

- All activities associated with producing excellent playing conditions at the facility on a day to day basis.
- Hire, train and supervise the maintenance staff. Plan and implement staffing schedules so to ensure quality standards are achieved.

- Plan the development and implementation of a fertilizer, aeration and pest management program for proper turf grass and plant care. Develop the annual maintenance budget and operating plan. Implement the plan according to Touchstone Golf operating policies and procedures to ensure cost containment.
- Plan and supervise course improvement projects.
- Oversee mechanics duties and equipment maintenance and repair operations. Establish and implement a cleaning and preventive maintenance program for appropriate equipment, tools, vehicles, etc.
- Ensure maintenance of all appropriate quality and cleanliness standards including, but not limited to, employee hygiene and uniforms, equipment repair areas, equipment storage areas, chemical and fertilizer storage areas, receiving areas, wash areas, lunch room areas, etc.
- Manage the ordering and receiving program to maintain proper inventories of supplies to ensure proper quality and price on all purchases.
- Ensure compliance with all applicable state and federal laws, OSHA rules and regulations, relating to chemical and fertilizer storage and disposal, employee safety, public safety, etc.
- Manage employment activities for applicable staff members, including but not limited to, personnel recruitment and selection, performance evaluations, training and compensation, discipline and termination, etc.
- Maintain accurate records pertaining to department activities including, but not limited to, labor schedules, water usage, course maintenance, construction activities, equipment repair, safety meetings and activities, fertilizer and chemical applications and pest control practices. Assure the efficient and timely submission of all required operational, financial, budgetary and related reports.
- Maintain knowledge of current and projected industry developments through continuous attention to industry periodicals and participation in relevant associations and organizations.

Qualifications:

- 2 or 4-year turf management degree preferred.
- Class A Superintendent or above with 3 years golf course maintenance, supervisory and or management experience.
- Possess a QAC, or QAL; Or obtain a QAL within 90 days of hire
- Demonstrates experience and capability in the areas of budget development, fiscal management, strategic planning, and staff management.
- Demonstrates excellent leadership abilities and interpersonal communication skills.
- Ability to analyze and solve problems, efficiently handle multiple duties under pressure with minimal supervision, and work flexible hours as required including nights and weekends as necessary.
- Excellent leadership and delegation skills.
- Positive attitude, professional manner and appearance in all situations.
- Dedication and commitment to excellent customer service.
- Proficient in Microsoft Windows, Word, and Excel.

Compensation:

Salary: Commensurate depending upon experience

Benefits: Participation in Medical/Dental/Vision/Life Insurance Plans; Paid Vacation & Holidays; 401K

Bonus Plan: Quarterly & annually based on meeting specific criteria

Assistant Superintendent

Information: The Assistant Superintendent works with the Superintendent/General Manager and together they will direct all Golf Maintenance operations. Riverside is currently upgrading both the Clubhouse and Golf Course to better serve our members. There is ample opportunity both to improve on the successful candidate's position and to gain valuable experience in construction (golf) processes. Along with the superintendent, the assistant superintendent will direct and participate in the maintenance of; Greens, Tees, Fairways and Cartpaths. The A.S. will supervise our Maintenance Staff in all operations while also doing related work as required. The successful candidate must be able to calibrate Spreaders and Sprayers accurately with a good working

knowledge of Sprayers. Must be willing to work 45-50 hour work weeks with alternating weekends. We are looking for a dedicated individual willing to put in the time and effort to move up within the Golf Industry.

The Assistant Superintendent will participate in hiring, training and development of all maintenance staff, making sure all OSHA, Club, State and Federal safety guidelines are adhered to. The Assistant may serve in the Superintendent's capacity during his absence.

Salary: DOE, very competitive with area job market.

Job Requirements: 1-2 yrs. verifiable experience in Golf Course Maintenance

Min. 2-yr. College Degree in Turf Management preferred

Pesticide Applicators License required or able to acquire within probationary period, (90) days.

Knowledge of Local, State and Federal Laws governing Chemical applications, Employee Rights, etc.

Absolute Team Player committed to building successful relationships with Members, Guests and Associates.

Bilingual (English & Spanish) preferred.

ODESSA COUNTRY CLUB, Est. 1939

Job Posting for Golf Course Superintendents

Superintendent – Links Course

Odessa Country Club, Est. 1939

Odessa, TX

Ad Date: 8/27/2016

The Odessa Country Club in Odessa, Texas has two championship golf courses, the **Old Course** – the original Odessa Country Club, established in 1939 and the **Links Course** – formally Mission Dorado, host of several Nike PGA Tour events. The Odessa Country Club is a private, member owned facility with a new clubhouse and a championship-class practice facility with 4 sets of practice tees designed from 4 different directions to maximize teeing locations and differing wind conditions. The practice facility also has a 13,000 square foot putting green and 4 separate putting/chipping greens.

The Links Course (formally Mission Dorado) is a modern championship golf course designed by Dick Nugent and recently re-designed by Gary Stephenson has hosted several PGA Mini-Tour events along with the 2010 TGA Senior Championship. In addition, the Links Course will host the 2011 NJCAA National Championship. The Links Course has newly renovated 007 Bentgrass greens and the golf course was recently renovated to improve long-range sustainability through the addition of over 75 acres of Native Turf Areas, many new Waste Areas and Xeriscape Areas.

This position opening offers qualifying candidates an excellent opportunity to develop golf course management skills while dealing with many agronomic challenges, such as: managing championship quality 007 bentgrass greens, high quality Tif-way Bermudagrass fairways and tees under extreme environmental conditions. Numerous superintendents and consulting agronomists have said "If

you can grow championship quality bentgrass greens and Bermudagrass tees and fairways in these conditions, you can grow it anywhere". This is accomplished at the Odessa Country Club under the direction of lead agronomist Mr. Greg Hinton. Mr. Hinton has developed many successful superintendents and has worked with many of the world's top golf course architects, such as, Gary Stephenson, Pete Dye, Tom Kite, and Jack Nicklaus.

Educational Requirements:

2 year or 4 year degree minimum with Turfgrass emphasis

Experience:

Working knowledge of golf course maintenance

Special Skills:

Valid Texas Drivers License
Pesticide Applicators License

Annual Salary:

75,000+ depending on experience.

Benefits:

Health Insurance available, annual vacation, various bonuses, 401 (K), golfing privileges

Duties:

Supervise Employees, Employee Training, Special Projects Coordination, Fertilizer and Pesticide Applications, etc.

Resume/Contact Information To:

Greg Hinton, Director of Golf Course Maintenance
#1 Fairway Dr., Odessa, TX 79765
432/254-0999 and ghinton@odessacc.com
