

JOB LISTINGS-

Technicians/Irrigation/Associate Positions

Posted July 21, 2017

Irrigation Technician

Founded in 1951, Lakeside Country Club is a premier private member owned country club in the West Houston area. Members and guests alike enjoy the wide array of traditionally elegant facilities which include the main clubhouse, swimming and lap pools, tennis and fitness facility, 18 hole golf course, 5 hole par three course and teaching center.

The Irrigation Technician will be responsible for monitoring the daily operation, maintenance and repairs to the irrigation system on the course as well as smaller systems located throughout the campus. This position will assure a high standard of professionalism in daily interaction with management, members, coworkers, and vendors. The candidate must be able to adapt to changes dependent upon weather and seasonal workload by filling in with other green and grounds personnel as assigned by the supervisor.

Description of essential skills and traits:

- Good oral and written communication skills
- Ability to work independently, stay on task and prioritize repairs and daily duties depending on schedules and expectations
- Ability to perform under pressure
- Extensive knowledge of irrigation systems, controllers, valves, heads, etc
- Ability to troubleshoot irrigation malfunctions
- Ability to program clocks
- Knowledge of irrigation design and ability to read irrigation plans and as builts
- Ability to identify and repair electrical problems and familiarity with low voltage irrigation wiring
- Ability to repair pipe breaks and irrigation head issues
- Ability to operate motorized irrigation equipment and tools
- Rapid response to address emergency leaks or malfunctions

Requirements:

- 3 to 5 years of golf course or commercial irrigation experience preferred
- Irrigation Technician License or Certification preferred but not required
- Experience with Toro Lynx system a plus
- Must be open to work some weekends and holidays
- Must be able to stay late on occasion as needed
- Must have a valid driver license
- Ability to lift 50 pounds, reach, bend, stoop and able to work on feet for at least 8 hours per day
- Ability to withstand working in extreme seasonal temperatures

Lakeside Country Club offers a great benefit package. Salary is commensurate with experience and qualifications. Please submit resumes along with your salary requirement via email to:

THutcherson@lakesideecc.com or by fax: 281-582-9341

HEAD GOLF COURSE MECHANIC

The Club at Carlton Woods is Located just North of Houston in the Woodlands, Texas, and is only one of two 36 hole facilities in the country that boast both Jack Nicklaus Signature and Tom Fazio Championship golf courses.

Both courses are held to tournament standards on a daily basis and offer an inviting learning experience with separated locations and different turf types as well as irrigation systems. The Nicklaus course has Bermuda throughout with Toro irrigation while the Fazio course has Zoysia throughout with Bermuda greens and Rain Bird Irrigation.

The Club at Carlton Woods is recognized annually as the best overall club in the Houston area as well as one of the premier facilities in the state. Furthermore, The Woodlands, Texas features a vigorous economy reaching number one in home sales in the state, and ranked second nationwide.

Course Information

The heritage of the Jimmie Austin Golf Club dates back to the mid-1940's, when the land was home to a U.S. Navy recreational facility. In 1949, in coordination with the Navy and under the direction of famed architect Perry Maxwell, construction began on the OU Golf Course. An extensive renovation of the course was completed. Architect Tripp Davis' re-design has remained true to features envisioned by Maxwell. Today, the Jimmie Austin Golf Club continues to reflect the level of excellence for which the University of Oklahoma is well known. The course has played host to many Oklahoma State Amateur, Big XII, NCAA and USGA events. The course is also slated to host the 2018, 2020 Men's NCAA Regional Championship and the 2019 Women's NCAA Regional Championship.

Course Operation: Semi-private **Number of Holes:** 27 Holes **Irrigation System:** Central Control, Field Control
